PROFESSIONAL EXPERIENCE

KSYS Group

1998 – 2025

Principal Consultant & Chief Operations Officer

Lead strategic and operational transformation for a \$500MM client portfolio spanning multiple industries. Provide executive guidance across finance, HR, IT, marketing, and performance management.

- Advised dozens of businesses on operational restructuring, technology modernization, and leadership alignment to support scalable growth.
- Designed enterprise KPI frameworks and performance reporting standards, reducing reporting turnaround time by 25% and strengthening executive decision-making.
- Implemented CRM and sales automation systems that increased lead generation and marketing ROI by 60% within one quarter.
- Increased sales by 15% within 60 days by launching a mission-driven, full-spectrum marketing strategy.
- Reduced service delivery time and improved operational efficiency by streamlining vendor relationships and internal workflows.
- Recovered \$800,000 in past-due accounts receivable and transitioned 80% of clients to long-term service contracts to stabilize cash flow.
- Reduced inventory shrinkage by 95% through procurement system redesign and policy implementation.
- Oversaw full P&L, budgeting, forecasting, vendor contracts, and HR policy governance.

Industries Supported:

Technology · Healthcare · Manufacturing · Retail · Professional Services · Nonprofit

Pussycat Galore
2005 – 2019
Founder & Operator

Launched and scaled a specialty retail brand, leading all operations, marketing, and customer experience efforts.

- Grew business from grassroots startup to \$200K+ annual revenue through multi-channel digital marketing and strong brand positioning.
- Built and maintained advanced Excel financial models to support forecasting, pricing strategy, and performance tracking.
- Designed and managed e-commerce platforms (Amazon, eBay) and built long-term customer loyalty.
- Handled all creative direction, brand storytelling, and community engagement.

Center-Force Marketing
2013 – 2018
Partner

Led an event and experiential marketing agency, creating immersive campaigns for regional and national brands.

- Directed concept-to-execution activations for clients in the boating, automotive and sporting goods industries.
- Developed marketing strategies backed by performance analytics, CRM data, and audience insights.
- Managed cross-functional teams of creatives, producers, and analysts to deliver brand-consistent experiences.
